

NCSU STARS Student Leadership Corps Provisional Constitution

Mission:

The NCSU STARS (**S**tudents & **T**echnology in **A**cademia, **R**esearch and **S**ervice) Student Leadership Corps (SLC) is a student organization that provides students with the opportunity to learn more about computer science careers, participate in service and outreach programs to local schools, engage in research, meet with leaders in the computer field, all while earning a stipend!

The NCSU SLC is part of the larger [STARS Alliance](#), a system of regional partnerships among colleges and universities, industry, primary schools and the community to collaboratively implement programs for student recruitment and success in computing.

Organization Structure:

- Officers
- Members
- Staff, External Leadership
- Volunteers

Organization Officers & Duties:

- **President:** responsible for regular group meetings, membership issues, long-term planning, budgeting, external communication and accountability.
- **Outreach Coordinator:** facilitates outreach projects, establishes contact with external partners for new and existing outreaches.
- **Service Coordinator:** facilitates service projects, establishes contact with external partners for new and existing service projects.
- **Evaluation Coordinator:** plans and implements evaluation according to external and internal timelines.
- **Publicity Coordinator:** creates materials for public dissemination.
- **Mentoring Coordinator:** trains and meets with mentors, ensures timely feedback on mentoring program from mentors and mentees.
- **Events Coordinator:** plans events, including scheduling and logistics.
- **Webmaster:** maintains and improves NCSU STARS SLC website.

The organization officers must be current NC State University undergraduate or graduate students.

Membership:

Membership in the NCSU STARS SLC is decided on by a selection committee formed by the Computer Science department head, prior to the beginning of the Fall semester of each academic year. Membership applications are solicited prior to the end of the Spring semester of each academic year. *NCSU STARS SLC members must be current undergraduate or graduate students at NC State University.*

Staff:

- Academic Liaison
- Assistant Academic Liaison

The staff members are graduate student leaders officiated through the Department of Computer Science and STARS Alliance organization.

The President will typically be one of the Staff Members.

External Leadership:

As a departmental organization, additional leadership is provided by

- Computer Science Department Head
- STARS Alliance NSF grant PIs within the Department of Computer Science

NC State University is a member organization of the STARS Alliance, a regional partnership funded by the National Science Foundation.

Officer Selection:

Officers are selected from official student staff (Academic Liaison / Assistant Academic

Liaison) and membership, prior to the beginning of the Fall semester of each academic year, by the current President, Staff Members, and External Leadership.

Officer Replacement:

In the event that an officer is unable to perform their duties (as determined by the External Leadership), a new officer will be selected from the current membership by the Staff Members & External Leadership, or from the Computer Science student body by a special committee appointed by the Computer Science Department Head.

Constitutional Amendment:

The constitution may be amended through approval by the External Leadership.
